Insurance benefits

- Primary health insurance (fully comprehensive insurance)

You will be automatically registered for health and long term care insurance by the DAAD with Continentale for the duration of your scholarship. This insurance is part of your scholarship. You are required to inform yourself about the conditions of your health insurance cover in Germany by reading chapter 1.5.1. „General information“ and Point II in the brochure „Ihr DAAD-Stipendium/Your DAAD-scholarship“.

- Insurance for accident and personal liability

With this health insurance cover, you can enjoy benefits during your scholarship stay that correspond to German statutory health insurance cover in terms of type and scope.

The DAAD will bear the costs of the insurance. You do not have to finance it out of your scholarship instalment.

If you need an exemption certificate (“Befreiungsbescheinigung”) for enrolment at your university, please contact a statutory health insurance fund at your university location in good time for this purpose.

The enclosed booklet „Ihr DAAD-Stipendium/Your DAAD-scholarship“ is an integral and

§ 34 of the Ordinance Governing Residence applies to this scholarship. According to this, the visa for academics and scientists and dependants (spouses or partners, if the marriage or civil partnership already existed upon arrival in Germany, and minor, unmarried children) accompanying or subsequently joining them is not subject to the approval of the foreigners' authorities if the scientists are assigned a place by German scientific organisations or a German public body and in this connection are receiving a publicly funded scholarship in Germany.

The scholarship granted as part of the above funding programme is financed entirely from federal public funds.
